
Orcad 10.5 License File

Nov 24, 2003 - On the "Release OrCAD 10.5 Setup" screen, skip the licensing options and select "Install Products". On the "License Manager Communication" screen. After selecting the "Settings" menu item, click the "License" tab. In the "License Type" field, select the license type. The license type determines which licenses can be used on your system, as follows: - to work with a specific version of OrCAD; - to use multiple versions of OrCAD; - For working with a certain software; - For working with software of other developers, including foreign ones. In the "License Type" field you can select one of the following values from the list: - to work with a specific version of OrCAD; -
